mrc@azdeq.gov

The Arizona Department of Environmental Quality (ADEQ) is pleased to visit Northeastern Arizona to provide information and answer questions on monitoring and reporting requirements for Aquifer Protection Permits (APP), Arizona Pollutant Discharge Elimination System (AZPDES) Permits and sewage sludge (biosolids). This informal session is especially intended for wastewater treatment facility owners and operators, and representatives of other facilities with APP and/or AZPDES permits.

Professional Development Hours (PDHs) are available for certified operators.

Agenda:

- I. APP and AZPDES Monitoring and Reporting
- II. Biosolids Management and Reporting

At the conclusion of the informational session, ADEQ representatives will be available for consultation on facility-specific questions.

We invite you to join us for this event. Please RSVP Byron James, ADEQ Community Liaison, at (928) 337-3565 or bfj@azdeq.gov. If winter driving conditions are expected, please verify that this event will take place as scheduled.

Directions: At the intersection of U.S. Highway 60 and State Highway 260 in downtown Show Low, drive south on Highway 260 for two blocks, and then turn right (west) onto Hall Street. The Show Low Library is two blocks west.
